A Thank You From An Enabling Grant Winner

During the fall of 2010, 135 8th grade students participated in the Loving Stitches service learning project. In the eighth grade Family and Consumer Sciences course, one unit of instruction teaches students how to operate the sewing machine. The students use their newly learned skills to help others by sewing cheerful pillowcases for children with cancer. Each student is expected to sew one pillowcase. Many students become passionate about the project and are determined to keep sewing and making pillowcases beyond the expectation. One student has made 10 pillowcases by himself during class time and the advisory period.

The generous donation from the Waterloo-Cedar Falls Junior League helped to purchase soft flannel fabric to make the pillowcases that will be donated to an organization called ConnKerr Cancer. The organization distributes pillowcases to children in Iowa hospitals seeking cancer treatments. Waverly-Shell Rock Junior High students have sewn 201 pillowcases during the fall of 2010. Each handcrafted pillowcase is washed, ironed and packaged in a quart size plastic bag ready for distribution.

Thank you for your generous financial support through the Junior League Enabling Funds. The funds were used to purchase fabric for the Loving Stitches Project. Without the support from Junior League, this project would not have been able to happen.

This has been a very rewarding and successful service learning project. The Loving Stitches Project will continue next year with the 8th grade FCS students and will continue to have a positive impact both the recipients of the pillowcases; as well as the middle school students involved. For more information, please contact Kristie Kuhse, W-SR FCS teacher at 352-3632 or kristie.kuhse@wsr.k12.ia.us

PRINTING BY:

Special thank you to Joan Wellman for being the guest columnist for our League Log.

I've known Cindy longer than any of you. That's because I'm her Mother.

She has always been headstrong, a forceful personality to reckon with. To illustrate an example, as a teenager she wore out three dial telephones with her determination to be the correct numbered caller to win the radio station's prize for the day, and she won many of them.

Actually, she still does things like that. You'll have to ask her about these endeavors.

As life progressed, with its ups and downs, she has channeled those skills to become the person you've grown to know and look up to as your President.

Junior League has been a growing experience for her. It has tweaked and polished her leadership skills. More than once she has stepped out of her comfort zone and come away with more confidence and self assurance than ever before.

I wonder where life will take her next? Rest assured, she will be an involved community member and do her best at whatever lies ahead.

I'm so proud of you, Cindy.

Love,
Mom

Enabling Grant Winner

During the third grant cycle in January 2011, The Healthy Cedar Valley Coalition (HCVC) received a \$722.97 Enabling Fund Grant. HCVC is a group of organizations and individuals that came together for the first time in January 2010 to create a healthy Cedar Valley for all to live, grow, and thrive. The grant funds will be used to purchase two child-sized tables and three Bosu Balance Trainers to be used at the educational Children's Booth each Saturday at the Waterloo Public Expo Farmer's Market. The Children's Booth will serve children from 3 to 15 years of age, from 9-11:00 a.m. on each Saturday from May 7 through October 29, 2011. The goals of the Children's Booth are to educate children, as advocates to the family, about 1) gardening and growing plants; 2) recycling, reusing, and repurposing; 3) health wellness, and physical activity; 4) safe food preservation and preparation; and 5) sustainability (sustaining what we need to live).

Application deadlines for the fourth 2010-2011 Enabling Fund grant cycle is March 14, 2011. Applications are available on the Junior League website, www.jlwcf.org. Please contact Laura Lockert at lklock@cfu.net for more information.

Frequent Flier Miles!

Looking for a unique way to donate to Junior League? Several times each year we send our emerging leaders to training events throughout the US. These days the cost of the airline ticket is sometimes the deciding factor in if we can afford to send someone to a conference. Did you know that you can donate Frequent Flier miles on a variety of airlines? Junior League would be happy to accept a donation of airline miles to further the leadership training opportunities. If you are interested in donating miles, please contact the League office and we will contact you when we are preparing for the next conference.

Sustainer Spotlight—Meet Nancy Berg

The year Nancy moved to Waterloo, her mother died. Her next-door neighbor, the “amazing Helen Zellhoefer” (a past-president of JL), declared that like-it-or-not, she was adopting Nancy and sponsoring her for Junior League. Helen said Nancy would get to meet lots of nice women her age. Nancy said, “It was the nicest gift anyone could have given.” After her provisional retreat, Nancy remembered feeling “at home” for the first time since she had moved to Iowa. She loved the provisional experiences (“Know Your Community” especially) and the opportunity to be with 31 other eager community volunteers. She loved the years she was on the provisional committee, and charity ball was great fun because “Marty Clark was the chairperson.” Later she was nominating chair and she said she probably considers that her favorite committee because it was small (only six people) and intense; she remembers one “horrible, snowy, freezing, ugly night” when the committee met in their pajamas and worked until midnight. By the end of the meeting they had their slate—and five cars buried in drifts. “Pushing cars in our jammies was an appropriate end to the year—difficult, fun, and JL “cooperative.”” She noted that the Follies years were wonderful too; she served as program chair for three of them. “There were a few of us who actually *enjoyed* selling ads!; my 27 years experience as English teacher/yearbook adviser at West High gave me a good background for working with layout, design, editing, and publications in general.” She said she loved the dancing too and that the rehearsals were among her happiest in League. She noted that the friends that she and her husband Tom made through those “seasons” were terrific. “Helen was so right, and I continue to be grateful to her for Junior League as well as for hundreds of other kindnesses.”

Nancy said that League was a huge part of her life for 12 years, and she feels fortunate to have found other wonderful opportunities in our community as well. She belongs to a book club that started in 1982 as an offshoot of a JL group; there were originally a dozen members and after all these years of various changes and several deaths, six still remain (Marty Clark, Mary Warren, Kae Lind, Cindy Richards and Carol Pierce). She belongs to four book clubs now and loves every one of them, especially her neighborhood group that consists of lots of younger members (including some of her former students). She stated, “It’s good to hang out with the future!” She also does some quilting and was honored to “win” both first and second place in a recent Art Quilters of SW Florida show. She and her husband spend half of the year in Fort Myers in a golf-course community, so she said she is “trying to become athletic for the first time in my life.” They spend about half of the summer at their lake house near Hayward, Wisconsin. Every summer their entire family gets together at the lake: their son John, his wife Nancy (Pugh), and their children Kyra 12, Will 9, and Luke 5 from Des Moines; their son Geoff, his wife Stephanie, and their children Max and Henry, both almost 5, from Columbia, SC; and Tom’s sister and her family from Virginia. This year they also felt fortunate to spend Christmas together in Florida.

When Nancy retired in 2003 she began volunteering with Hospice (first in Waterloo, later in Florida) and continued to do so until this year. Now she is volunteering at the local elementary school to help first graders with reading. She always thought high school kids were way more fun to teach than the little guys, but she admitted that she can’t wait to get to school on Fridays and see what “totally unscripted” excitement awaits.

“Tom and I are so very fortunate to have so many blessings, of which Junior League is but one. Thank you to all members, past and present, who do so much to make our community a wonderful place to call Home.”

Nancy Berg (Class of '76)

Meet Kristin Kline

Kristin Kline has been an active member of League since 2008. She has been on the Fall Fundraiser committee and currently is the New Member Co-Chair.

Kristin has known about League her whole life as her mother, Cindy Kline was a League member. Cindy is currently a Sustainer member.

Kristin was reintroduced to League in 2007 through her coworker Michele Jensen who was the New Member Co-Chair at the time. League interested Kristin because growing up she saw how much her Mother enjoyed being involved and how it kept her active in the community. She also saw how many friends her mother met in League. Kristin stated, "Growing up in the Waterloo area, I think you can kind of get in a rut... not meeting new people, so I was excited to join an organization that would expand my horizons." Kristin was also motivated to join because of the community involvement aspect of League. She feels that League is "a great way to really see where there is a need in the community for funds and voluntarism..." and she enjoys giving back.

Kristin also enjoys meeting the new women and the different community impact opportunities and she has really enjoyed being a New Member Co-Chair, because she got to know all of the New Members.

Kristin works at ME&V as a Web Producer. In addition to Junior League, Kristin is involved with the Cedar Valley United Way, Co-Chairs the Cedar Valley Chase, volunteers at Aspire Therapeutic Riding and is the marketing chair for the Greater Cedar Valley Chamber of Commerce's Wing Ding event.

Kristin and her Cavalier King Charles pup Henry live in Waterloo. Kristin enjoys spending time with her parents, brothers and nephews, as they all live in town. Kristin's sister-in-law Amanda Kline is also in League. In her free time, Kristin enjoys reading, is a big TV and movie buff, enjoys hanging out with her family (extended as she is single) and friends, reading and traveling. Kristin also enjoys running and will be running the RAGNAR relay race from Madison, WI to Chicago, IL (fellow League member Denise Smith is on her team) and her first 1/2 marathon this year.
